

The 6th European Symposium on Computer and Communications

www.escc.net

CALL FOR PAPERS

VERBANIA, ITALY
APRIL 12-14, 2024

ESCC 2024

The 6th European Symposium on Computer and Communications (ESCC 2024) aims to provide an international forum for presentation of original research results, as well as exchange and dissemination of innovative and practical development experiences. The conference covers all aspects of on-going research in most state-of-the-art areas of computers and communications. Papers describing original work are invited in any of the computer and communications areas that the call for papers considers.
